

Tasking Memorandum No. 153

MEMORANDUM FOR DCMC Contract Administration Offices

Subject: DCMC Automated Disposition System (DADS) (TASKING)

Date: 14 MARCH 2000

Suspense Date: March 13-24, 2000

Target Audience: Contract Administration Office (CAO), Commanders, Plant Clearance Officers (PLCOs), Property Administrators (PAs)

Requirement(s):

DADS Version 1.14 shall be deployed at all sites on March 13-24, 2000. Full Operational Capability (FOC), with all sites operational, is scheduled for March 27, 2000. A four-week Initial Operational Capability (IOC) warranty period is scheduled for March 27, 2000 through April 21, 2000.

Version 1.14 fixes problems with calculations on the Management Information Reports (MIRs) and Queries noted on DADS Versions 1.12 and 1.13. All modifications to this release of DADS are transparent to the users, therefore, no formal training classes are planned.

Specific problems that were corrected with this release are:

- Cases On Hand not matching on the Open Case Inquiry and the Informal MIR.
- Open Cases not matching on the Open Case Inquiry and the Informal MIR.
- Overage Cases not matching on the Overage Case Inquiry and the Informal MIR.
- System duplicating entries on Open Case, Closed Case, and Total Case Inquiries when two overage reason codes are assigned.

PLCO Responsibilities:

Version 1.14 is a maintenance release for DADS. The system functionality and PLCO responsibilities remain unchanged.

During the four-week IOC warranty period, any system problems should be reported to the Command Customer Support Help Desk by calling **1-888-576-DCMC** (3262). A supporting problem report should be submitted to the DCMC Information Technology Center (IT Center). The IT Center point of contact for DADS is Rod Barnaby, DSN 850-8953, or Commercial 614-692-8053.
